

Your Feedback

Your feedback so far has helped us to understand what you like and don't like about the Southwick Estate, which means we can prepare better options for you to comment on.

Most of you felt that the location and the views were a big plus, although some residents thought the green spaces could be better used. Parking was talked about a lot, along with windows and doors, balconies, mould and the bin system. Below, we have set out some of your feedback to demonstrate how this has helped us to create some initial options to discuss with you.

You can request a copy of the full report from the first event by speaking to a member of the team.

When asked what you like about the Southwick Estate:

56% said the good location and surrounding area

20% mentioned the size of their flats

29% commented on the nearby transport services

22% mentioned their good support networks

When asked what you don't like:

61% talked about upgrading amenities such as kitchens and bathrooms

59% raised issues such as damp, mould, insect infestations, floods and asbestos

56% mentioned windows either not opening or not properly sealing

45% said the bin and recycling system does not work

41% raised concerns about anti-social behaviour

35% commented on the lack of parking provision

When asked about what you would change, you said:

54% would change amenities such as kitchens and bathrooms

34% said they would like new windows

29% would like more private outdoor spaces and improvements to current green spaces

22% would like a better ventilation system, including new windows and extraction fans in kitchens

22% would like increased parking provision

29% want something to tackle anti-social and illegal behaviour

29% want a better security system
